County Attorney Report – Burt Hurwitz

County Attorney Burt Hurwitz entered the chambers at 9:15 a.m.

Attorney Hurwitz presented a Letter of Protest that will be sent to the Department of Revenue with our monthly disbursement indicating the protested tax difference between 95 mills vs. 77.89 mills for the Commissioners to approve. The Montana Association of Counties (MACo), the State of Montana, and the Montana Quality Education Coalition (MQEC) are all urging the Supreme Court to rule on the School Equalization Mills by May 2024 at the latest. Hurwitz mentioned that there is a lawsuit pending, requesting the Courts to rule on whether local governments are the only entities that can levy mills on county tax payers. Mill levies are subject to MCA 15-10-420, which authorizes the amount that can be levied. Dillon Cole, Senior Property Tax Analyst for the State of Montana, is responsible for calculating the state School Equalization Mills. Cole stated in the declaration filed in the Fourth Judicial Court, Missoula County that he uses the same Determination of Tax Revenue and Mill Levy Limitation spreadsheet that Local governments use to determine the maximum amount of mills that can be levied each fiscal year. Galt inquired about the inflationary increase. Ogle responded that the inflation factor used in the spreadsheet is 2.46%. Galt stated that if the court rules that only the 77.89 mills should be levied the schools will still get the 2.46% increase.

Following the last two meetings with DA Davidson and Department of Commerce representatives, Attorney Hurwitz spoke with Jerry Grebenc, Great West Engineering, regarding next steps for the affordable housing discussions. Grebenc stated the next step is to apply for a CBDG Planning Grant. The CBDG Grant application is due in March. Grebenc stated it would cost \$5,500 to have Great West prepare the application, including two in-person meetings.

Action #2

Brewer moved to allocate \$5500 to Great West Engineering to apply for a CBDG Planning Grant. Commissioner Hurwitz seconded the motion. A vote was taken and passed.

Hurwitz stated that he and Treasurer, Maura Kusek have interviewed 3 good candidates for the DMV/Victim Advocate position but have not made a decision. Hurwitz stated he is going to meet with Finance Officer Dayna Ogle to discuss budget and they may come with a proposal next week.

Health Nurse Eva Kerr was not able to attend the Commission meeting due to an accident.

Building update – Rosie Spaulding

Rosie Spaulding and Bill Dutton entered the chambers at 10:25 a.m.

Spaulding presented the Commissioners with an updated bid of \$20,939 from Frontline Glass to replace the Courthouse front door. Spaulding stated Frontline Glass reduced the bid by \$2,155 due to our continued business with them. Frontline Glass would require the County to pay half the cost up front and the balance when the job is completed.

ACTION #3

Commissioner Hurwitz moved to accept the updated bid of \$20,939 from Frontline Glass to replace the courthouse front doors with a deadline of June 1, 2024. Commissioner Galt seconded the motion. A vote was taken and passed. The bid from Frontline Glass was accepted.

Spaulding inquired about getting someone here to shovel in the afternoon when Spaulding and Dutton have gone home for the day. The Commission suggested reaching out to Brent Ramsey (seasonal weed sprayer) to help with shoveling on snow days. Dutton or Spaulding will contact Ramsey.

Southwest Financial – Julie Blockey

Julie Blockey attended by Zoom at 12:24
